CONTEMPORARY CLASSICAL

When the geniuses of classical Greece and the brilliances of modern Rome came together, a new chapter unfolded in the world of architecture – known as Neoclassical. A style that combined traditional class and contemporary finesse.

Concept image

Inspired by this quintessential style, we at SOBHA have reimagined the Palladian Neoclassicism to shape a distinctively new genre - Contemporary Classical. A true ode to those who admire the past and adore the present. Presenting SOBHA METROPOLIS.

INSPIRED CREATION FROM ANCIENT EXCELLENCE

There's a clear presence of the Golden Ratio in life elements. They fall in the larger design of nature – reflecting perfect harmony and balance. It is this understanding of Golden Ratio that adds creative dimensions to our architectural creations, and opens the doors to a whole new world of refinement and class.

Renowned for its flawless symmetry and proportional alignment, Neoclassical architecture not only instills a divine aura to the structure, but also redefines exclusivity – crafting a perfectly balanced relationship between you and your living space.

FROM THE ARCHITECT'S DIARY

At SOBHA Metropolis, you can witness a splendid fusion of classical Greek and modern Roman styles.

The awe-inspiring structure follows the principles of balance & proportion in its geometric forms and grandeur in terms of scale & proportions.

Symmetrical gardens leave a calming effect on the mind with its artistic balance. You will notice this unique

arrangement of gardens and hardscapes right from the grand entrance gate to the tiniest seating nook throughout the project. Discover our new architectural masterpiece that's sure to fascinate you and generations to come.
